For more information regarding Josh and his teachings go to www.joshnichol.com

There will be tents provided for auditors, but please bring a chair, snacks and/or lunch, weather appropriate clothing, hats, sunscreen, water. For those coming from off island, the nearest store/cafe is a 10min drive from the clinic location. There will be drinking water available.

Please follow all parking signs, as space is at a premium. Please avoid parking in front of gates so that horses can come and go easily.
